### **DIY Brewing: Cider and Mead**

**Monday, April 27, 7:00–9:00 pm**

\$15, adults 21+

Give your home brew skills a little twist by learning the science behind making the delicious age-old classics; mead and cider. Get some hands-on experience while learning the chemistry behind these refreshing drinks. Participants will take home their own bottle of cider or mead!

### **Beer Lab**

**Friday, May 1, 7:00–9:00 pm**

\$15, adults 21+

Take a trip back to your high school science lab, but forgo the frog dissections. Instead, dust off those science skills for something a lot more desirable: beer! Take a scientific tour of the ingredients behind your favorite sudsy brews, and don't forget to record your observations in your lab manual! Best grade in the class gets some sweet prizes!
